

Dear Homelife Team;

The Ohio Masonic Home  
Springfield, Ohio  
Mr. Jerry Kuyoth, President & CEO

Again I want to thank you for your professionalism and high quality work performed on behalf of our organization. This represents the 3RD feasibility study I have been involved with and the quality of the work is superior to the other two. I appreciate the timely response to questions and attention to what must be a relatively small project. I find that in dealing with service providers that as the relationship matures the report card shows a grade of A, C, or F. F for the provider you would not wish on your competition, C for those you could take or leave, and A for those that exceed your expectations. Homelife's performance at OMH has been a solid A and I look forward to working together in the future and vigorously recommending your organization!

Sincerely;  
Jerry Kuyoth
